## PURPOSE

The Leadership Manatee program is designed to expose current and future leaders to all aspects of Manatee County. The program's purpose is:

- To identify community leaders of diverse backgrounds.
- To develop their potential and desire to accept civic responsibilities and leadership roles.
- To expose community leaders to the problems and opportunities that face Manatee County.
- To build a realistic understanding of leadership in today's complex society.
- To open a dialogue among emerging and current community leaders.
- To acquaint leaders with the processes, programs, opportunities and challenges for individual involvement in Manatee County.

## SELECTION CRITERIA

The most important factor in participant selection is identifying those individuals who are most apt to use their leadership knowledge and skills for the long-term benefit of this community.

Based upon this criteria, individuals selected will:

1. Have demonstrated commitment through past and current community activities.
2. Have attained a leadership position within their business or organization or have the potential for advancement to top leadership positions.
3. Have a sincere commitment, motivation and interest in serving their community.
4. Be interested in, or intend to seek, leadership roles in the community.
5. Represent a cross section of the business community of all ages and geographic representation, including government representatives, professional leaders, and community service volunteers. Because diversity is an important component of the program's purpose, it is not unusual for a participant to apply more than once before they are accepted.

The selection committee is comprised of three Manatee Chamber of Commerce representatives, three Bradenton Kiwanis representatives, one representative from each of the past three year's Leadership Manatee classes and the Manatee Chamber of Commerce president or his/her designee.

## GRADUATION & ATTENDANCE REQUIREMENTS

One absolute requirement of participation in Leadership Manatee is attendance for the entire Orientation and Simulated Society sessions tentatively set for (August 21-22, 2020). Each class member will serve as a facilitator for one day of the next year's Leadership Manatee program and one day of the Junior Leadership Manatee program. So that participants can gain full benefit from the Leadership Manatee program, course completion is based upon meeting attendance requirements for class sessions. The equivalent of more than two (2) days of absences prohibits graduation at the end of the session year. Attendance will be checked in the morning, after lunch, and in the afternoon. If a day includes a bus tour, class members are required to ride the bus during the entire session. If a day includes a reception, class members are required to attend the full day. If attendance on any session day is not possible the Leadership Manatee Program Manager must be notified.

## TUITION

Tuition covers the cost of all session materials, field trips, refreshments, meals, transportation and the graduation ceremony. Funds are available, on a limited basis, for qualified scholarship applicants.

## A NOTE ABOUT THE 2020-2021 PROGRAM

To: 2020-2021 Leadership Manatee Applicants

From: Jacki Dezelski, President|CEO, Manatee Chamber of Commerce

On behalf of the Leadership Manatee Board of Governors, thank you for your interest in Leadership Manatee! The program, started in 1982, is designed to educate business and community leaders about the present and future needs of Manatee County. Our goal is to ensure that our non-profits, businesses, governmental agencies, schools, and neighborhoods have a diverse pool of leaders ready to work together to move our community forward.

Our community, state, country, and world is facing challenging times. The COVID-19 health crisis has impacted each and every one of us both personally and professionally. Due to the current uncertainty - and not fully knowing what the recovery period will look like for our community - the upcoming Leadership Manatee program may require some adjustments in order to follow guidance and recommendations from local, state, and federal entities. Our proposed schedule may change, as may the format for some sessions.

What won't change is the importance of bringing together leaders who have a deep commitment to our community, want to expand their understanding of the opportunities and challenges facing our region, and will use their Leadership Manatee experience to make an even bigger impact. Now, more than ever, Manatee County needs strong leadership and the Leadership Manatee program can help develop the skills, knowledge, and network of our current and future leaders.

As noted, the 2020-2021 program schedule included in this application packet is tentative. Prior to accepting an invitation to join the upcoming Leadership Manatee class, selected applicants will be given a revised schedule, if possible.

We look forward to having another amazing cohort of committed community leaders in the upcoming Leadership Manatee program. We appreciate your patience and understanding as we navigate potential adjustments.

If you have any questions, please contact me at 941-748-4842, ext. 131 or via email at [JackiD@ManateeChamber.com](mailto:JackiD@ManateeChamber.com).

Many thanks and be well.
