

2024-2025
Scholarship Request Form
Must Be Submitted with Application

The tuition cost for each participant selected for the Leadership Manatee program is \$1,400 (early bird application deadline) or \$1,600 (regular application deadline), which includes materials, meals, and transportation for all sessions at which attendance is required.

It is expected that the employers of all participants understand and fully support the commitment of time away from the office that the Leadership Manatee program requires. A limited amount of funding is available for partial tuition scholarships for individuals who are accepted to the program and are not able to fully finance their participation from their employer's or personal resources. We ask all individuals who are selected to receive scholarship assistance to serve as one of the "class secretaries" during their program year.

We ask your cooperation in providing the following information to assist the Selection Committee in the scholarship process. Please include this form with your completed Leadership Manatee program application.
